[VOL. XXXIII.] [NUMB. 1678.]

From *Monday* NOVEMBER 16, to *Monday* NOVEMBER 23, 1767.

The ASSESSORS and COLLECTORS of the general tax for the parishes of ST. PHILIP *and* ST. MICHAEL, CHARLES-TOWN,

HEREBY GIVE NOTICE,

THAT they will have finished their assessment by Tuesday the 17th of November next, at which time a duplicate thereof will be posted at the guard-house, for the ten following days, being to the time prescribed by law; during which time they will attend at the house of Mr. *Elisha Poinsett*, from the hours of 10 to 12 in the forenoon, and from 3 to 5 in the afternoon, in order that all persons who think themselves over-rated may swear off.

Charles-Town, Oct. 19, 1767.

ELIAS VANDERHORST,
JOHN WARD,
JOHN BENFIELD,
JOSEPH DILL,
THOMAS HUTCHINSON.

CHARLES-TOWN, November 23.

THIS morning the LADY of his Excellency the right hon. Lord CHARLES GREVILLE MONTAGU, governor in chief, &c. of this province, and brother to his Grace the Duke of Manchester, was safely delivered of a daughter.

The Cherokee Indians which came to town last week are still here.—Some of them are to embark in a few days, in Capt. Schermerhorn's sloop, for New-York, from whence they will proceed on their embassy, to propose a peace with the Northern tribes.

Thursday last John Stuart, Esq; superintendant of Indian affairs for the Southern department of North-America, returned from the Southward.—The Creek Indians who had their settlement at Oconith destroyed by a gang of villains lately, having received satisfaction from his Ex. governour Wright, no farther ill consequences are likely to follow that outrage — And the apprehensions of the people who fled from their settlements on St. Mary's river, are so far removed, that they have returned to their habitations.

The Creeks and Chickasahs have lately had some skirmishes, in which both parties suffered.

Friday last the general assembly of this province adjourned to the 5th day of January next.

The two last, and all future West India packet-boats, called, and are to call at Madera and Dominica; so that their route now is, from Falmouth to Madera, Barbadoes, Grenada, Dominica, Antigua, St. Christopher's, Jamaica, Pensacola and South-Carolina (with mails also for Georgia and East-Florida) and from thence back to Falmouth.

Tuesday last arrived here, after a long passage, from Rhode-Island, the sloop Hannah, Capt. Alger, who lost his bowsprit three days after he came out, and has met with much bad weather. He saw several pieces of wreck on the coast, and among others some wine-pipes.

The ship Mary, from London, mentioned in our last to have run ashore on Tucker's Island, is since hauled. The rigging, sails, &c. have been saved.

A snow from New-York for this port, one Henderson master, having been out more than six weeks, is supposed to have been lost in the storm of the 26th and 27th past.

Some of the people from the back settlements complain, that the worst part of the road thro' the Cypress Swamp is left unrepaired, tho' not above 30 yards in length, so that it remains impassable for loaded waggons or other heavy carriages; and for no other reason than that the time for working on that road was expired.

Last night Mr. George Blakey was married to Mrs. Elizabeth Ruffe, widow of Capt. John Ruffe.

Saturday night died Mrs. Anne Outerbridge, the wife of Capt. White Outerbridge.

Twenty-five POUNDS reward.

RAN away on the 28th of last month, from the sloop-ner Georgia Packet, James Fitzsimmonsmaster, a negro fellow named ABRAHAM, formerly the property of William Sanders, of this town, but now of Josiah Tattnall, Esq; of Georgia. He is very artful and plausible, and has in some former elopements pretended to be free; for proof whereof, he has produced a false certificate, drawn up by some evil disposed person, by which he has imposed on several people, who have employed him in the way of his trade, which is that of a bricklayer and plaisterer, particularly one Capt. Ladson, of Ashley river, with whom he stayed a considerable time, and is well known thereabouts. As he has several relations in town, they, as well as others, are hereby cautioned from harbouring him, and the above reward will be paid to whoever shall deliver him to the warden of the work house; or any person giving information where he may be concealed, so that the offender can be convicted, shall be amply satisfied, by
